### Report for Catsfield Parish Assembly 2022

The last twelve months has for the school, as for the rest of society, been dominated by the ongoing pandemic and the impact this has borne upon learning. Thankfully there has been less disruption due to lockdowns and restrictions. There have been and continue to be cases in school, even up to the time of writing this report, although our worst period for cases during the year was January 2022.

Through everything, we have continued to focus on learning and ensuring the children have the best possible opportunities to grow in knowledge, skills and as individuals. We are seeing a return to trips, visits and visitors and hope this will continue to grow as time progresses. We are currently working towards being accreditation for the Healthy Schools programme and also as a nurture school

Miss Garland left the school at the end of the Autumn Term and this had led to a period of partnership working with Crowhurst CE Primary school with Mr Andrew Jervis taking on the role of Executive Headteacher across the two schools on a temporary basis until the Mr John Barnes starts as Headteacher in September 2022. We hope this will lead to continued close working between the two schools for the benefit of all in the future.

We have seen a number of families start at the school this year and are expecting a full intake in September.

We are excited to be contributing to the village jubilee celebrations and look forward to hopefully being able to engage more in village life in the coming months and are always open to offers of support whether that is volunteering in classes or as a school governor.

Best wishes,

Andrew Jervis  
Headteacher
